Sir, (2)

The sanction accorded in G.O.No.Ms.108, P.H., dated the 10th January, 1938, for the further continuance of the temporary (x) post of staff nurse sanctioned in G.O. No.1365 P.H., dated 26th August, 1936, for the Government Headquarters Hospital, Mangalore, will expire by the 31st March, 1939. The daily average attendance of in-patients treated in the Hospital during each of the last three years and also during the first six months of

of the current calendar year has been as under:-

1935	..	115.20
1936	..	118.34 / ~~116.74~~
1937	..	153.09
		386.63 = 128.88
1938 (up to June)		154.52

As the number of patients actually treated in the institution has always been far in excess of the sanctioned bed-strength of the hospital (viz. 100), it is not possible to manage the nursing work of the hospital without the additional nurse sanctioned in the G.O. quoted above. It is, therefore, requested that the Government will kindly sanction the retention of the temporary post of staff nurse referred to above on a permanent basis with effect from 1st April, 1939.

100 / 20 = 5

Necessary provision on this account will be included in Part I of the Budget Estimate for 1939-40, under "38 Medical--Hospitals and Dispensaries--Mufassal Hospitals and Dispensaries-- I Ordinary Areas".

I have the honour to be,

Sir,

(Designation) Surgeon-Genl. with the Govt. of Madras.

To The Secretary to the Government of Madras,

Education & Public Health Department.

Sir,

Ref.:- G.O. No.Ms.108-P.H. dated 10-1-1938.

I have the honour to state that the sanction accorded in the above G.O. for the continuance of the under-mentioned temporary staff employed in the Government Headquarters Hospital, Mangalore will expire on the dates noted against each

NA. 9/9

each post:--

Details of the staff.	No & date of the G.O. sanctioning the posts.	Date on which the existing sanction will expire.
(1) One compounder	G.O.No.472-P.H./24-2-1937 (E)	30-4-1939
(2) One compounder	" Ms.108-P.H./10-1-1938 (Z)	30-4-1939
(3) One Nursing orderly.	" 2247-P.H./18-11-1936 (D)	31-3-1939.

I furnish below the daily average number of in and out patients treated in this Hospital during the past three years and during the 1st seven months of 1938:-

Year.	1935	1936	1937	1938(up to July)
Daily average No. of in-patients.	115.20	~~116.74~~ 118.34	153.09	154.52
Daily average No. of out-patients.	364.95	~~430.41~~ 70	623.09	651.79

386.63/3 — 128-88

1418.74/3 — 472.91

On the basis of the above figures this Hospital is eligible to have eight compounders(6 for out-patients and 2 for in-patients) but actually there are only five compounders (3 permanent and 2 temporary) now employed in this Hospital. One of these compounders has to go every morning for duty at the sub-jail. Thus only 4 compounders are available for work at the Government Headquarters Hospital. The services of the two additional temporary compounders referred to above are therefore absolutely essential.

Though the bed strength of this Hospital, is 100, the daily average number of in-patients treated in this Hospital since 1937 is more than 150. The present sanctioned strength of nursing orderlies in this Hospital(viz. 11 permanent and one temporary) is within the number admissible in accordance with the scale of one nursing orderly for every 8 beds. The District Medical Officer, South Kanara considers that the temporary post of nursing orderly should be retained permanently. I therefore recommend that the Government will be pleased to sanction the continuance of the temporary posts of two compounders and one ~~xxxx~~ nursing orderly for a period of ~~xxx~~ two years with effect from the date

on

date on which the existing sanction expires. Necessary provision will be included in part I of Surgeon-General's Budget Estimate for 1939-40 for the continuance of these posts under "Temporary".

I have the honour to be,

Sir, .

Personal Assistant,
